Local trains not shown as waiting for connections, will depart when ready unless otherwise directed. Trains specified as waiting for connections will depart after waiting the required time.

When trains are liable to miss connection, conductors must wire Superintendent the number of passengers for such connection that train may be held longer than specified time, if warranted.

Conductors must ascertain from agents or stationmaster if there are overdue trains other than regular connections, or sections of regular connections, and wait for such trains the same as for regular connections.

This card must be immediately filled out, signed, properly addressed to your Superior Officer and mailed.

INWARD TRAINS ARE SUPERIOR TO OUTWARD TRAINS OF THE SAME CLASS.

No. 520. Stop at any station to discharge passengers making continuous passage from Bellows Falls or stations north.

When passenger trains have orders to meet at Keene, the westbound train will take the siding unless otherwise provided at the switch about 600 feet east of Main Street crossing leading to the W., N. & P. track.

When No. 518 and No. 517 meet at Tenth Section No. 518 take siding.
