This card must be immediately filled out, signed, properly addressed to your Superior Officer and mailed.

Local trains not shown as waiting for connections, will depart when ready unless otherwise specified. Trains shown as waiting will not wait unless connection can thereby be made in the time specified.

When trains are liable to miss connection, conductors must wire Superintendent the number of passengers for such connection that train may be held longer than specified time, if warranted.

Conductors must ascertain from agents or stationmaster if there are overdue trains other than regular connections, or sections of regular connections, and wait for such trains the same as for regular connections.
