AGREEMENT made in duplicate this 2nd day of August, 1977 between Robert W. Meserve and Benjamin H. hereinafter called the "Shipper."

WITNESSETH:

That WHEREAS the Trustees own, or control, and the Shipper desires the use of six (6) carlengths on Track L-5 (Ledge) at Manchester Yard,

NOW, THEREFORE, in consideration thereof the parties hereto mutually covenant and agree as follows:

1. The Shipper may use the said premises, together with the sidetrack above described in accordance with the provisions of this agreement. The Shipper agrees at all times while tank cars are being unloaded on said track that it will have some one in attendance who shall disconnect said cars whenever the Trustees desire to switch cars to or from said sidetrack.

2. The Shipper agrees to pay to the Trustees as rent for use of said premises and use and maintenance of said sidetrack, the sum of One Hundred Sixty-five and no/100 (165.00) Dollars per month or fraction thereof for the first month and Ninety and no/100 (90.00) Dollars per month or fraction thereof, in advance during the continuance of this agreement.

Owner-  
ship  
and  
Main-

3. It is agreed that the sidetrack is owned by the Trustees and that the Trustees shall keep said sidetrack in proper repair and that the Shipper shall maintain and show therefrom. The Trustees shall determine when repairs are to be made.

4. The Shipper agrees not to permit or authorize the use of said leased premises by or for the benefit of any person, firm or corporation not a party to this agreement, nor to assign this contract or any rights thereunder without written consent of the Trustees.

Switching

5. The Trustees, at the request of the Shipper, and subject to reasonable terms and regulations from time to time made by the Trustees, will switch cars to and from said sidetrack as provided in and in accordance with the published tariffs of the Trustees which are at the time applicable. It is understood, however, that cars shall be placed for the Shipper only upon section above described of said sidetrack by the Shipper to be subject to necessary switching operations in its use by the Trustees or to accommodate shippers who now have or may hereafter acquire rights in the use of said sidetrack or other trackage connecting therewith.

The Shipper also agrees to indemnify and hold harmless the Trustees for loss, damage or injury from any act or omission of the Shipper, its employees or agents, to the person or property of the parties hereto and their employees, and to the person or property of any other person or corporation while on or about said sidetrack; and if any claim or liability other than from fire shall arise from the joint or concurring negligence of both parties hereto it shall be borne by them equally.

7. No obstruction of any kind whatsoever shall be permitted within the distances shown by the lines on the Clearance Diagram upon this agreement without first obtaining the consent of the Principal Engineering Officer of the railroad operated by the Trustees and the Shipper shall at all times save harmless and indemnify the Trustees from and against all loss, cost, damage or expense which the Trustees may directly or indirectly suffer or be subject to, caused wholly or in part or in any way referable to the existence of such obstruction whether with or without the consent of said Principal Engineering Officer.

Hazardous materials

8. The Shipper agrees not to load, unload or store hazardous materials as defined by the regulations of the United States Department of Transportation, upon said sidetrack, unless express written permission is given by the Superintendent of the Trustees, and the Shipper shall at all times save harmless and indemnify the Trustees from and against any and all damage and indemnify the Trustees from and against any and all damage to rolling stock belonging to the Trustees or to others on said sidetrack due to the presence of said hazardous materials on the premises unless such damage is due to fire communicated by railroad locomotives while not operating on said sidetrack or in the vicinity for the purpose of serving said sidetrack.

Termination

9. This agreement shall take effect on the 19th day of July 1979, and shall continue in full force and effect for the term of one month and thereafter until terminated on any day by thirty days' written notice given by either party to the other, of intention to terminate.
