Mr. W. V. Furey:

Attached proposal for new business is located approximately one mile outside of Manchester yard limits on the Portsmouth Branch.

This particular development would undoubtedly be serviced by existing yard assignment. Therefore, before proposal is approved, consideration must be given to a run-around at this location to enable the yard switcher to make a faster and more efficient move.

Mr. E R Towle,

This proposal is for new
business outside yard limits
of Manchester yard. Approx 1/2 mile
before I approve must determine
if it should be a yard or road
assignment and also will
maintain & way keep this portion
of Portsmouth Branch open during
winter months with an embargo
placed on it -

is located
r yard limits

undoubtedly
herefore, be-
st be given to
yard switcher
