SUGGESTIONS

For Your Comfort and Convenience

Each car on the Snow Train is numbered on a white card displayed in the windows.

By noting the number when taking your seat you can easily identify your car at any time.

Let us forget, write the number on the back of the return portion of your ticket.

Confusion and over-crowding will be avoided if each person will return in the same car as on the going trip.

Washing Facilities. Washing facilities, camp style, are available in the baggage car at the head of the train.
